What makes us different?

(Tired of the corporate coffee house?)

Here are our **Top 10 Differences**

- ❖ We are all about a great cup of coffee.
- ❖ We roast our own coffee in-house. We are certified Fair Trade Roaster, which means a portion of our coffee bean proceeds goes directly back to the coffee farmer. We are also Rainforest Alliance Certified.
- ❖ We purchase premium, top quality green beans and roast them to the peak of flavor, never over-roasting them.
- ❖ We use a cold brewed espresso for all of our iced coffee drinks and blended coffee drinks. This produces an extraordinarily, smooth drink along with being low acid and low caffeine and doesn't water down your coffee experience.
- ❖ We are family friendly.
- ❖ We have live, local music on the weekends along with Open Mic Tuesdays.
- ❖ We have a mezzanine level for meetings, business or friendly.
- ❖ We have free WI-FI.
- ❖ We have fast drive through service
- ❖ The owners live in Lake Highlands and are found working here daily.

Bring White Rock Coffee to your next meeting! Can't bring the meeting to our place? You can still bring our coffee to your meeting. We have 96 ounce and 160 ounce coffee containers as well as we can fill with our house blend brewed coffee, decaf house blend or our roaster's choice of the day. Pick up some of our yummy pastries to go with the coffee.

Does your office need better coffee? Bulk coffee orders welcome, we can grind just for your coffee maker.

Think about White Rock Coffee for your next business meeting, meeting with friends and neighbors, PTA board meetings, scout committee meetings, or anytime you would like a great cup of coffee!

Come join us for music every Friday and Saturday evenings and Open MIC on Tuesday evenings and hang out on our front patio.

Let us roast your favorite coffee. We can special order beans and roast just to your liking. Just ask Bob Baker about exotic coffees!
